

**SPONSORS NEEDED**  
**COUPLES RETREAT 2019**

We would like to ask our local churches to consider sponsoring your Pastor and spouse for Couples Retreat. This would be a great opportunity to show your appreciation for their hard work and ministry in your local church. Even if you are unable to give a full sponsorship, consider half or a partial amount. It's important for our Pastoral couples to find time to get away for a time of renewal and Couples Retreat is would be an excellent gift to your Pastor. You can make that donation locally for that purpose and your Pastor can register for the event, however space is limited and we are filling fast. Don't miss an important opportunity to bless your Pastor.
