True Romance

It's impossible to sum up love and romance with just a one day celebration. It can enhance romance. Instead, let true romance be a life long commitment of curiosity, fascination and intrigue. It's about being interested in your spouse and your spouse being captivated by you. True romance is a deep, life long fascination with your spouse.

What is Love?

LOVE is...

Patient

Kind

Doesn't boast

Isn't proud

Not rude

Not self-seeking

Not easily angered

Keeps no record of wrongs

Doesn't delight in evil

Rejoices in the truth

LOVE...

Always protects

Always trust

Always hopes

Always perseveres

LOVE...never ends
