### Unless the Lord Build the House

What a blessing we all experienced at our Riverside COGOP church on Saturday, February 11th, 2023. Many thanks to our awesome workshop presenters Bishop Pruitt and Sis. Diana, Bishop Bryan Arabian and Sis. Amy. And, we're thankful for the 34 couples on that day. A big thank you to Sis. Anna Garcia Orona, the event organizer, Pastor Orona, the translators, media personnel, cooks and youth who served everyone. Every detail was flawlessly carried out, the lunch was delicious as well as the table full of pastries, sweet breads and coffee. To God be the glory for such a wonderful time in the Lord!

### A Word from the Directors

What a wonderful time we had last month at our Riverside COGOP church! Our Couples Retreat team is looking forward to hosting more workshops in the future. Again, thank you Riverside for your hospitality and giving.

### Sacramento Spanish Couples Day

The "Five Languages of Love" was the theme for our Sacramento Spanish Couples Event. Bishop Carlos Calderon and his beautiful wife Sis. Maribel were a blessing. Thank you Sis. Lupe and Pastor for sharing this beautiful day at your church with us.
